

# Fundraiser to Support Ukrainian Refugees in Poland

Keating Elementary is supporting Compassionate Resource Warehouse by collecting school supplies for Ukrainian Refugees in Poland. A shipping container will leave Victoria at the end of April and will provide resources to help bring some normalcy and comfort to the refugees.

Supplies will be collected and organized by Ms. Windle and Mrs. Porter's Grade 4/5 students, and can be brought to school with Keating students (April 19-26th) or dropped off at the front of the school (undercover area) on  
**Tuesday, April 26th from 8:30 to 11:00.**

Cash donations are accepted and will be used to top up supply packs.

## Supplies Requested (New or Unused Please)
