

ÉCOLE KEATING ELEMENTARY SCHOOL

SOCIAL RESPONSIBILITY CONTRACT

At École Keating Elementary School, we believe that all children have the right to learn in a safe, caring and orderly environment. Our expectations are that students will maintain an attitude that is cooperative, courteous and respectful. Keating's Social Responsibility Contract encourages our students to care about and contribute to our learning community. The contract is designed to provide guidelines for appropriate student behaviour, while students are at school or at any school-sponsored function.

Consequences will be applied in a fair and consistent manner, respecting individual rights, responsibilities, age and maturity; and be restorative rather than punitive in nature. When students do not demonstrate age-appropriate social responsibility, these times are viewed as learning opportunities.
