

2017/18 KHASA Secretary Year End Report

This year the secretary position was shared, having each secretary take minutes at alternating meetings, which worked out really well for us. Minutes continue to be posted to the KHASA website and we are hoping more people read through them as a way to stay up to date with KHASA. Next year Keely is stepping down from the shared Secretary Position as her two years is up. Melissa will stay on as Secretary. She will continue to communicate with the school regarding upcoming meetings, create monthly agendas, produce minutes and update the website, along with any other executive jobs that require assistance. It was a great year with KHASA and we look forward to 2018/19!

Melissa Braun and Keely Kastrukoff
