

KHASA CO-PRESIDENT

Year End Report 2017-2018

Meetings:

KHASA general meetings were held on the 3rd Monday of each month for October, November, January, February, April & June with the AGM being held in May. Meetings were generally kept to an hour, however they occasionally went longer. Attendance has been great with usually 10-15 attendees.

Open House:

KHASA /Admin held an Open House this year on September 14, 2018. It was a night to meet the teachers and display what KHASA has to offer. We had an information table set up for general KHASA enquires and there was also a table for Keating clothing, Keating Active Mornings (KAMs). The event date snuck up on us and we did not arrange a BBQ for the event as we left it to late.

Family Dance:

This year's Family Dance was held on September 29, 2017. The Matheson Band played for the Keating students once again and got everyone up and dancing. It was an extremely fun night. Pizza and beverages were served at this year's dance. Thank you to Hilary Fairbank for doing a great job of leading this event.

Fundraising:

Notable fundraisers include: Mom's Night Out at the Star Cinema to watch Bad Mom's Christmas on November 30th. We were also lucky enough to do another 50/50 at the Royals on February 16th. We also sold Night of Lights for early shopping at Hillside Mall.

Other Notable Items:

- This was the first official year that KHASA suggested the \$20 Student Fee. We collected \$1,940 on hotlunches.net towards the student fee and also received cash and cheque contributions.
- The school did its annual Terry Fox Run on September 29, 2018. This year we also took the time to dedicate one of our Buddy' Benches to Michelle Twigg. It was a special event where Michelle's husband and friends came and helped with the run warm up and they participated in the run as well.
- KHASA Facebook page now has 196 followersThank you Jenn
- The Seismic Upgrade was announced on January 12, 2018. Rob Fleming, Minister of Education came to the school with the press to make the announcement and read a story to some students.
- There were two sales for Keating Clothing. One in the Fall and another in the Spring.

Suggested Goals for 2018-2019:

- Open House/BBQ for September
- Finalize plans for the restitution money.
- Strongly encourage new Exec to set up e-transfer once they are set up with the bank. Will make reimbursements much easier and eliminate the need for signatures on cheques
- Find someone to look after Keating Cares
- Recruit someone to lead Keating Call Back.
- Keating Music Program, finalize plans for the 2019/20 school year.

Summary:

It was a good year with a great group on the Executive. Many of us have completed our 2 year terms now and are passing the torch on to a new and amazing Executive. Aly is moving on to Bayside and I will be around to assist the new Executive with the transition.

Sincerely,

Aly Dahl & Tricia Oates
